NEW RULES

Test Booth Conduct Rules - AI Vision Demo

Policy No. TB-001 | Effective November 7, 2026 | Fictional - for testing SafeSight AI-vision rules.

1. Purpose

These rules exist to test camera-based checks of behaviour, not PPE. Each rule can be judged from a single camera frame, except rule 2.6, which tests the limits of still-image checks.

2. Test Booth

Supervisor: booth.supervisor@brightwaterlabs.example

- 2.1 Do not show the number two with your fingers (two raised fingers, peace sign). Ref: TB-001 Sec. 2.1. Severity: Other-than-serious. Potential fine: $250.
- 2.2 No raised hands: hands must stay below shoulder height (no waving). Ref: TB-001 Sec. 2.2. Severity: Other-than-serious. Potential fine: $200.
- 2.3 No phones in use (holding or looking at a phone). Ref: TB-001 Sec. 2.3. Severity: Serious. Potential fine: $500.
- 2.4 No headphones or earbuds. Ref: TB-001 Sec. 2.4. Severity: Other-than-serious. Potential fine: $300.
- 2.5 Do not cover your face with your hands. Ref: TB-001 Sec. 2.5. Severity: Other-than-serious. Potential fine: $150.
- 2.6 No walking inside the booth: remain standing still or seated. Ref: TB-001 Sec. 2.6. Severity: Other-than-serious. Potential fine: $100.

3. Penalties

Amounts are potential fine exposure for demo purposes only, not assessed fines.
